## Bhagawan's Birthday Message

You celebrate the birthday of Bhagavan. But do you follow the teachings? You will experience the fruits of celebrating the birthday only when you follow the teachings. Jesus said: "Love everyone." Christmas is celebrated, but how far does one practice love? None at all. There is love in everyone's heart. Share it at least with ten persons every day. This is seldom done. People are more keen on receiving than on giving. They are willing to give away only things, which they do not relish. There is no sacrifice in this.

You should not be concerned with how many have come for Swami's birthday but how many are following Swami's teachings. If every devotee is able to influence two persons, soon the whole world will be reformed. Embodiments of love! There is only one thing you have to offer to Me today. Pray that people in all countries, may the entire humanity, should be happy and at peace. "*Lokaas samasthaas-sukhino bhavanthu*" (Let all the worlds be happy). Then alone there will be real unity.
